

## DAMOCLES -- 3rd general assembly

**Where:** UFZ, Leipzig, Germany (<https://www.ufz.de/leipziger-kubus/index.php?en=41733>)

**When:** 26.-27.10.21

**Local contact:** Jakob Zscheischler ([jakob.zscheischler@ufz.de](mailto:jakob.zscheischler@ufz.de))

**Number of participants:** ~50

### Goals:

- Review what happened since last GA (November 2019):
  - Typology paper published
  - All 4 Training School papers published
  - 2 Special Issues nearly completed (>50 papers published)
  - 1 more Special Issue underway (iScience)
  - 3 online Working Group meetings
  - Large ensemble workshop (in person) in Paris 2021
- Reassess objectives for each working group for final year (training school #2, STSMs, meetings (incl. final meeting), publications, etc.)
- Deepen links between WGs, how to keep community alive after DAMOCLES ends
- Revive community feeling: participants belong to the “compound event community”

### Format:

Mix between plenary and breakout sessions.
